

NEED TENNIS SUPPLIES

TROOPS ON FRENCH SOIL
REQUIRE MORE EQUIPMENTNational Association Will Discuss
Plan to Meet Demands
Annual Meeting.

A call for tennis supplies for the use of American soldiers in France, has come to the United States National Lawn Tennis Association, through Dr. J. H. McCurdy, head of the Y. M. C. A. work there. To meet the need, an outline and to provide also for men in camps in this country, plans will be considered at the annual meeting of the national association.

An effort will be made to utilize the resources of the association for the soldiers' benefit, so that all such appeals can be quickly answered. Dr. McCurdy states that eighty nets, 100 dozen tennis balls and 300 rackets are required now by the men in France. Some clubs have already furnished supplies for camps on this side of the Atlantic, and indications are that the demand will increase when the weather permits playing.

Not only tennis, but Penn football star, who is director of the Army Y. M. C. A. work at Camp Dix, has stated that a number of courts can be built there in the spring and similar conditions are believed to prevail at other camps and cantonments.

In developing a plan by which the association can act as a clearing-house for these supplies, the suggestion has been made that the donors name the courts after them.

Dr. McCurdy will address the annual meeting of the association, which will be held at the Hotel Hamilton, New York, on February 12. The commission will describe its work and other speakers will address the general purpose, but when the campaign for ambulances got under way the earlier effort tapered. Now that the ambulance money has been secured, many tennis players unite in the opinion that no more money should be spent on tennis equipment for the men in camp. Dr. McCurdy has already secured a considerable amount of tennis nets, balls and rackets given by members of the national association, and additional supplies will be secured as the need develops. Clubs or private individuals wishing to send supplies to soldiers should ship them to Dr. J. H. McCurdy, Princeton, N. J. Anything serviceable can be used.

Colonel E. E. Persons, commander of the United States Army Ambulance Service Camp at Allentown, Pa., also has been invited to the meeting. The ambulance sections raised by the national association are in training there. Plates inscribed with the donors' names have been ordered for the machines that will be assigned to the two regiments when they are ordered to the front service, and some special equipment for the men has also been provided by the national association.

The suggestion of the national association, one of the machines provided from the proceeds of the national tennis tournament, which contributed to the success of the undertaking, is being considered by the association of prominent Western players.

Applications have already been received for sanction of tournaments for next season. The Heretania Tennis Club, of Honolulu, and the Kansas City Field Club among the early applicants for championship tournaments by the annual meeting.

MONTREAL SELLING MEN
Lichtenhein Announces Improbability
of Playing Causes Him to
Dispose of Players.

(By Associated Press.)—C-Players who have contracts with the Montreal club, of the International League, are being sold as rapidly as possible because of the scant prospect of the league playing the coming year's schedule, it was announced by Samuel Lichtenhein, president of the club, today.

Harry Damrau, infielder, formerly of the Carolina and Virginia Leagues, has been sold to the Mobile (Southern Association) club. The New York Americans are trying to put through a deal for the purchase of Paul Smith, an outfielder, and Bill Holden is being sought by two major league clubs, and will be sold, it was announced.
